Jersey City, N.J. 07310
10:00AM – 12:00PM

III. In Section II. PROJECT DESCRIPTION – A. Scope of Work

Delete the following:

1. Fabrication, delivery and installation of upgraded curtain wall and skylight systems, involving approximately 140,000 square feet of glass. Work locations include upper wall assemblies that may require use of cranes and/or scaffolding.
2. Construction of newly configured entry vestibules at all three (3) levels of the Terminal B frontage.

3. Installation of required vestibule heating systems, electrical/electronics, structural work and wayfinding signage in conformance to contract drawings and applicable specifications.

Insert the following:

1. Fabrication, delivery and installation of upgraded curtain wall and skylight systems, involving approximately 65,000 square feet of curtain wall glass. The work also includes supply and installation of about 45,000 square feet of film laminate on existing glass panes. Work locations include upper wall assemblies that may require use of cranes, scissor lifts and/or scaffolding. The Authority will include an “Add Alternate” option for supply and installation of an additional 20,000± square feet of new skylight glass.
2. Construction of newly configured entry vestibules at all three (3) levels of the Terminal B frontage.
3. Installation of required vestibule heating systems, electrical/electronics, structural work and wayfinding signage in conformance to contract drawings and applicable specifications.

IV. In Section IV under SUBMISSION INSTRUCTIONS

Delete the following:

The Respondent shall submit one hard copy and eight copies in CD-ROM/Flash drive format of the required qualification information in sufficient time so that the Authority receives it no later than **4:00 P.M. on April 5, 2017.**

Insert the following:

The Respondent shall submit one hard copy and two copies in CD-ROM/Flash drive format of the required qualification information in sufficient time so that the Authority receives it no later than **2:00 P.M. on October 27, 2017.**
