III. In section III Submittal Instructions and Content under Minimum Experience of the Firm,

Delete the following:

The Responding Firm shall present evidence of being in business for at least three (3) years, performing work similar in size and scope within the past two (2) years. Provide documentation with the Response to this VVP.

Insert the following:

The Responding Firm shall present evidence of being in business for at least three (3) years, performing work similar in size and scope within the past five (5) years. Provide documentation with the Response to this VVP.

IV. In section III Submittal Instructions and Content under Submission Requirements,

Delete the following:

The Responding Firm shall present evidence of being in business for at least three (3) years, performing work similar in size and scope within the past two (2) years.

Insert the following:

The Responding Firm shall present evidence of being in business for at least three (3) years, performing work similar in size and scope within the past five (5) years. Provide documentation with the Response to this VVP.

V. In section IV under Submission Instructions,

Delete the following:

Respondents shall submit one (1) original hard copy and two (2) copies in CD-ROM/flash drive format of the required information. The Respondent is strongly encouraged to submit these items in sufficient time so that the Authority receives them by **12:00 P.M. on 8/3/2017**.

Firms will be Verified and Validated on an ongoing basis up to the solicitation due date, although firms are strongly encouraged to submit earlier, as the issuance of the bid documents is currently contemplated to be at the end of August 2017. Firms are encouraged to submit their verification and validation information early, as the evaluation process may take time, and may result in a delay

to the receipt of bid documents. VVP submissions that are submitted too close to the solicitation due date (as per the bid documents) may not be evaluated in time for Firms to respond prior to the solicitation due date.

Insert the following:

Respondents shall submit one (1) original hard copy and two (2) copies in CD-ROM/flash drive format of the required information. The Respondent is strongly encouraged to submit these items in sufficient time so that the Authority receives them by **2:00 P.M. on August 31, 2017.**

Firms will be Verified and Validated on an ongoing basis up to the solicitation due date, although firms are strongly encouraged to submit earlier, as the issuance of the bid documents is currently contemplated to be in the beginning of September 2017. Firms are encouraged to submit their verification and validation information early, as the evaluation process may take time, and may result in a delay to the receipt of bid documents. VVP submissions that are submitted too close to the solicitation due date (as per the bid documents) may not be evaluated in time for Firms to respond prior to the solicitation due date.
