QUESTIONS FROM BIDDERS

LGA-774.264 -- LaGuardia Airport – Flood Protection at the West End Substation.

Updated: 01/12/18

QUES	QUESTION	RESPONSE
1	Would it be possible to get a two week bid extension for this project, from 18 Jan to 1 Feb?	See Addendum No. 1 dated 1/11/18.
2	Please refer to the provided Analysis of Bid form: a. Unit No. 9 – Misc Signage & Bollards has a unit of "SY," please clarify how bollards are to be measured per square yard.	See Notice to Bidders dated 1/9/18.
3	b. Unit No. 11 – Select Structural Backfill has a unit of "EA," should this not be "CY"? Please clarify.	See Notice to Bidders dated 1/9/18.
4	c. The following Unit No. pairs have identical descriptions; please clarify: i. 28 & 29 ii. 34 & 37 iii. 35 & 38 iv. 36 & 39	See Notice to Bidders dated 1/9/18.
5	d. Please clarify the intent of Unit No. 42 – Labor for Electrical Installations as the description of many of the other electrical item descriptions state "Furnish & Install" (e.g. Unit No. 28 – Furnish & Install Conduit Seal in 5" Conduit).	See Notice to Bidders dated 1/9/18.
