

CODE OF ETHICS FOR PORT AUTHORITY VENDORS: COMPLIANCE CERTIFICATION

_____ (the “Vendor”) has reviewed the Code of Ethics for
(Legal Business Name of Entity)
Port Authority Vendors (the “Code”).

Vendor understands that the Vendor and Vendor’s Employees must comply with the requirements of this Code in connection with any work being performed on behalf of the Port Authority and whenever they are on property, used, owned or controlled by the Port Authority.

The Vendor understands that violations of the law or of this Code may subject a Vendor or a Vendor’s Employees to civil or criminal penalties. In addition, in the case of violation of any provision of the law or this Code, the Port Authority may pursue any available remedy, including, but not limited to, determining that a Vendor is in material breach of its contract and/or that, in the future, the Port Authority will have no further commercial dealings with the Vendor.

This Compliance Certification must be submitted to the Port Authority in accordance with the instructions in any solicitation, or as otherwise requested.

This Compliance Certification must be executed, and provided to the Port Authority, before Vendor begins work on a Port Authority project and before Vendor can receive payment in connection with a Port Authority project. This Compliance Certification, once executed, will be a material and integral part of the contract between the Vendor and the Port Authority. If this Compliance Certification was submitted in response to a solicitation, it will become a material and integral part of any contract between the Vendor and the Port Authority resulting from that solicitation.

A copy of this Compliance Certification must be retained by the Vendor, unless and until the Port Authority indicates that the Certifications may be disposed of.
